BAPPY Birthday

Demmy and her mega-norgs have turned 27!

JUST the other day Ukrainian big-tit model Demmy Blaze huffed and puffed and blew out the candles on her cake to celebrate her 27th birthday.

There to share her joy were her enormous, all-natural, H-cup HAMBURGLARS, which, while not there for the whole journey, have certainly contributed to her wonderful life in recent years.

They have helped her make a bunch of dosh as a web-cam model and soft-core porn star since she first unveiled them to the world back in 2016.

We wish all three of them – Demmy and her two JUGGY PALS – nothing but the best for the future.

For they are JOLLY GOOD PILLOWS. Hip hip hooray! **Picture**

Emma and Rhian are a perfect snatch

WE COULDN'T think of a better way of starting this magazine off than by bringing you photos of Pom babes Emma Frain and Rhian Sugden, coupled with an ALL EXPENSES PAID HOLIDAY to Pomland to go and visit them.

However, due to an awful PRINTING ERROR the holiday couldn't be arranged, so you'll have to settle for these beaut pics.

Emma, 31, is a personal trainer and fitness enthusiast and Rhian, 33, is a glamour model who loves to DJ. Happily, they're both VERY keen on posing with other chicks, too.

This raises our blood pressure, and the following question – what is it about seeing two chicks taking their clothes off together that is so damned beaut?

Well, we've had a think about it and firstly you get DOUBLE everything you like about nude sheilas: boobs, bums, smoos etc. Secondly, it's MINUS everything you hate about porn: cocks, pimply arses and the ever present danger of flying jizz.

Even SCIENCE backs us up on this. An IN-DEPTH study by Canada's Northwestern University showed that blokes get more turned on by girl-girl porn than by bloke-girl porn. And we can back up these findings, as they correspond with evidence we've come across while WHACKING OFF. ■ Picture

Going down the park for a barbie with Seppo hottie Avri Norwood is heaps of fun, 'cos after she finishes eating she loves to get nude on the picnic table. Pass the sauce!

Hungarian model Gulyas loves a hot, sweaty game of doubles, a hard, fast serve, and big, bouncy balls. Oh yeah – she also enjoys playing tennis, apparently.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

It smells even WORSE than burning hair

BALL-JUICE BARBIE

FIREMEN risked being scalded by BOILING BULL SPOOF when they fought a blaze at a storage facility for cattle sperm in Gippsland, Victoria. The firies were called to Yarram Herd Services where cryogenically frozen cylinders of the JIZZ were already EXPLODING when they arrived. About $100,000 worth of the bovine LOVE CUSTARD was destroyed in the blaze. Good news is, there'll be heaps of overtime coming up soon for all the professional BULL WANKERS out there.

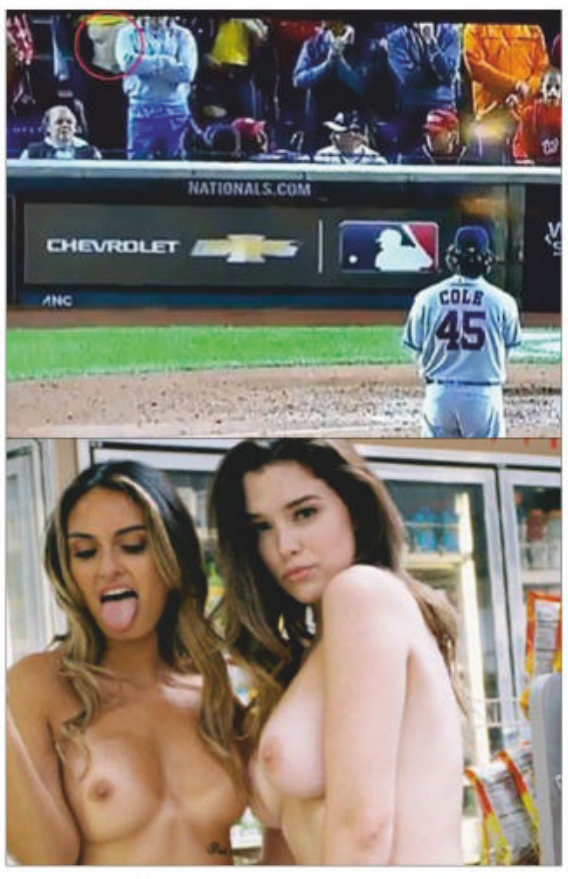
ROOS' LOO CHEW

A POMMY tourist in south Oz has discovered kangaroos' darkest secret – they love eating DUNNY PAPER. Visiting Brit Matt Trayner went into the amenities block at a camping area in the Flinders Ranges National Park only to find the mixed-up marsupials chowing down on the BUM-FODDER, and the paper towels as well, straight off the roll. So he filmed it and put it on social media, as you do.

SEX KITTEN!

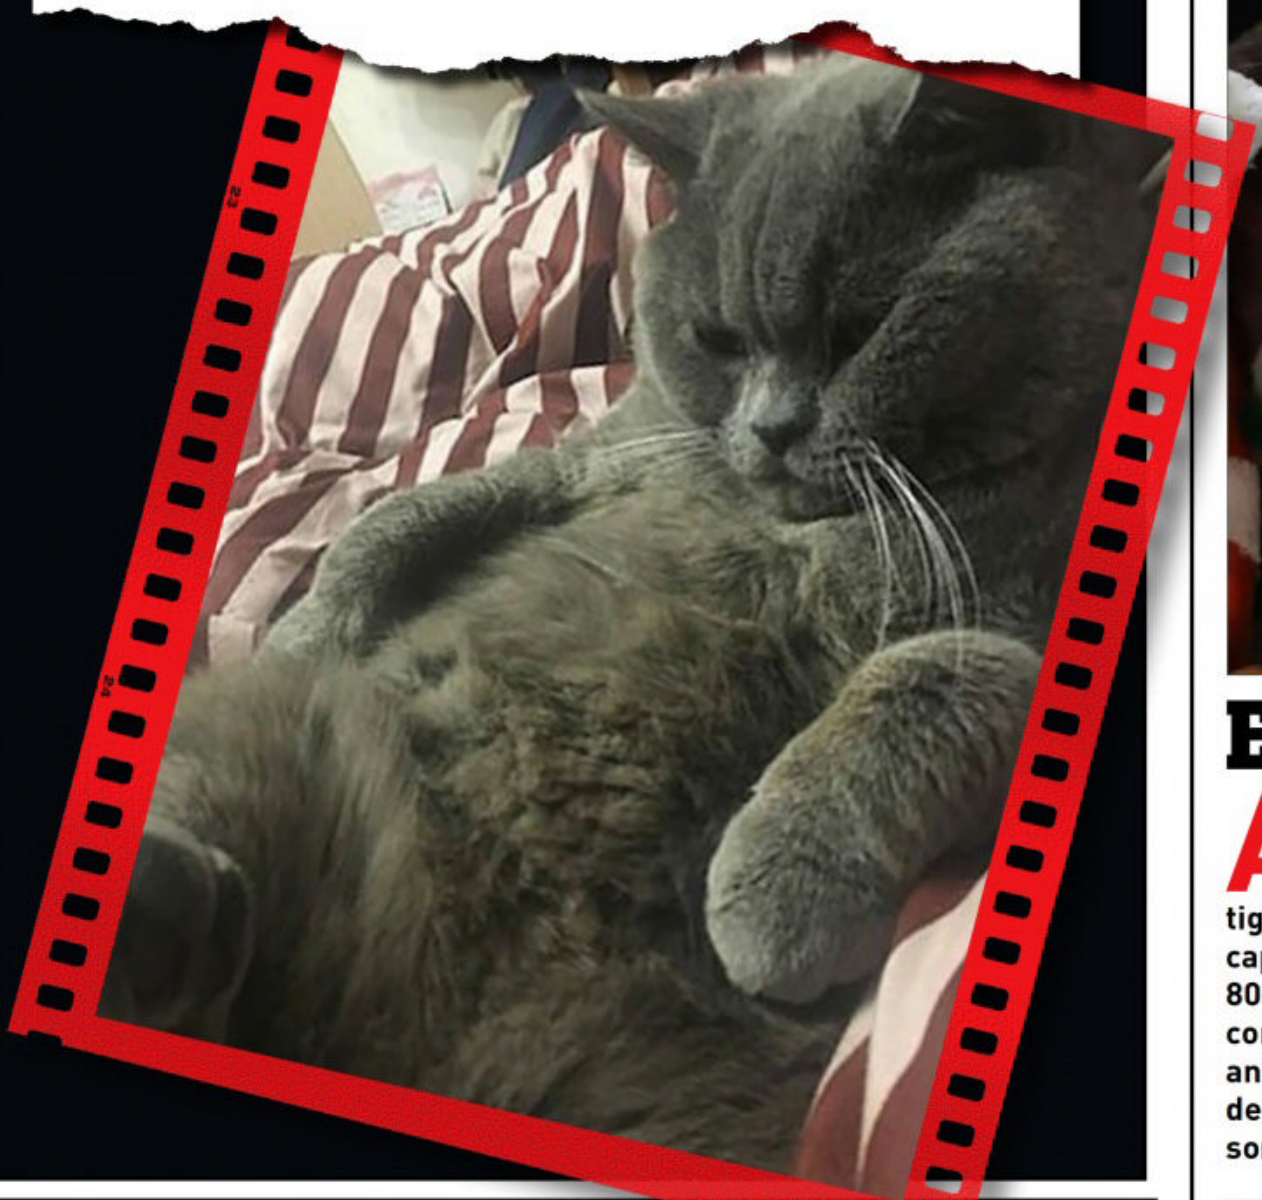
STRUCK OUT

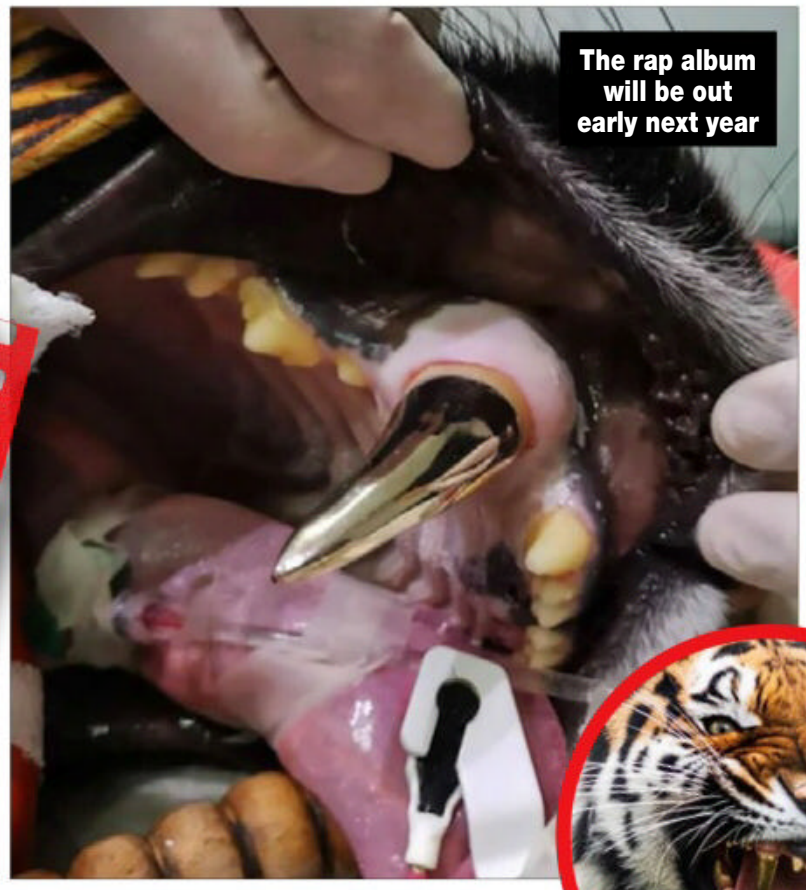
TWO Seppo spunks who flashed their norks during game five of baseball's World Series between the Houston Astros and the Washington Nationals have been BANNED FOR LIFE from attending Major League Baseball games in the US. Julia Rose and Lauren Summer hoicked their puppies out to promote on-line magazine *SHAGMAG* and breast cancer awareness, but they were chucked out of the game and told to take their tits with them, never to return. Girls, just get to Oz for the test cricket this summer – you'll be very fucken welcome!



PUSSY MAGNET

A HERO bloke moggy had to be put on LIFE SUPPORT after nearly shagging himself to death at a boarding cattery in China. The Russian Blue cat known as Xiaopi was left there by his owners while they went on holidays, and immediately went on a FUCKING SPREE, knocking up five chick cats in one night. Apparently it was all too much for him and staff found him SHAGGED OUT on the floor the next morning and had to put him on a glucose drip. His rooting adventures were captured on CCTV and the footage will soon be available on PornHub.





The rap album will be out early next year

EASY TIGER!

A TIGER in Germany is the coolest cat in town after getting a snazzy GOLD TOOTH. The six-year-old female tiger named Cara had a crook chopper, and vets capped it with crown made from pure gold during the 80-minute operation. The stripey champion had been confiscated from her Italian owner a few years ago and placed in an animal shelter, but had to have the dental work after cracking her tooth chewing on something, probably a TOUGH ITALIAN.

GO NUTS!

IT'S what every bloke will want for Chrissy this year – a jacuzzi just for your BALLS. The Testicuzzi is a battery-powered mini hot tub designed to take one set of gonads – that's TWO – and treat them to warm, bubbling jets of water in total comfort. There's even a pillow for your COCK to lounge around on! It comes in two colour schemes – black with a red pillow and white with black pillow – for around $100, or there's the deluxe gold plated version for $10,000.

GNARLY KNOB!

Adelaide skate park looks like massive meat mongrel

A LOCAL council in Adelaide has backed off after publishing plans for a skate park shaped like a DICK.

Tea Tree Gully Council chucked an aerial view of the proposed park at Bentley Reserve on its website, COMPLETELY FAILING to realise it looked like giant WANG, complete with KNOB.

Only ONE NUT, but.

As soon as the design was posted snarky comments started to appear there too, such as: "Sure is a nice penis, but where's the skate park?" and: "What a major cock up!"

While one concerned citizen just wanted to know: "How long will it take to ERECT?"

But the council immediately realised what GALOOTS they'd been.

"AWKWARD! We're feeling a little red faced here after posting our skate park design," they said.

"We've changed the photo to one that more accurately reflects what people might expect to see from ground level," they said. Picture

ROCK-A-BYE SHARKY

Great white goes night-night when rubbed on the schnozz

HERE's what ya do next time a giant white pointer wants to turn you into SHARK SHIT.

Just rub the big fella on the nose, and if you get it right it'll be so chilled out it'll probably try to crawl into your lap for a snooze.

If you get it wrong... well, let's not think about that.

Let's just say you'll probably make the evening news, and not in a good way.

See, sharks' noses are full of nerve endings and if it's stroked the right way it makes them all peaceful and sleepy and less likely to RIP YA GUTS OUT.

This diver off Augusta, WA, knew that and successfully applied the nose rub technique, thus ensuring a happy shark/bloke encounter.

See – we CAN all get along and be friends! ■Picture

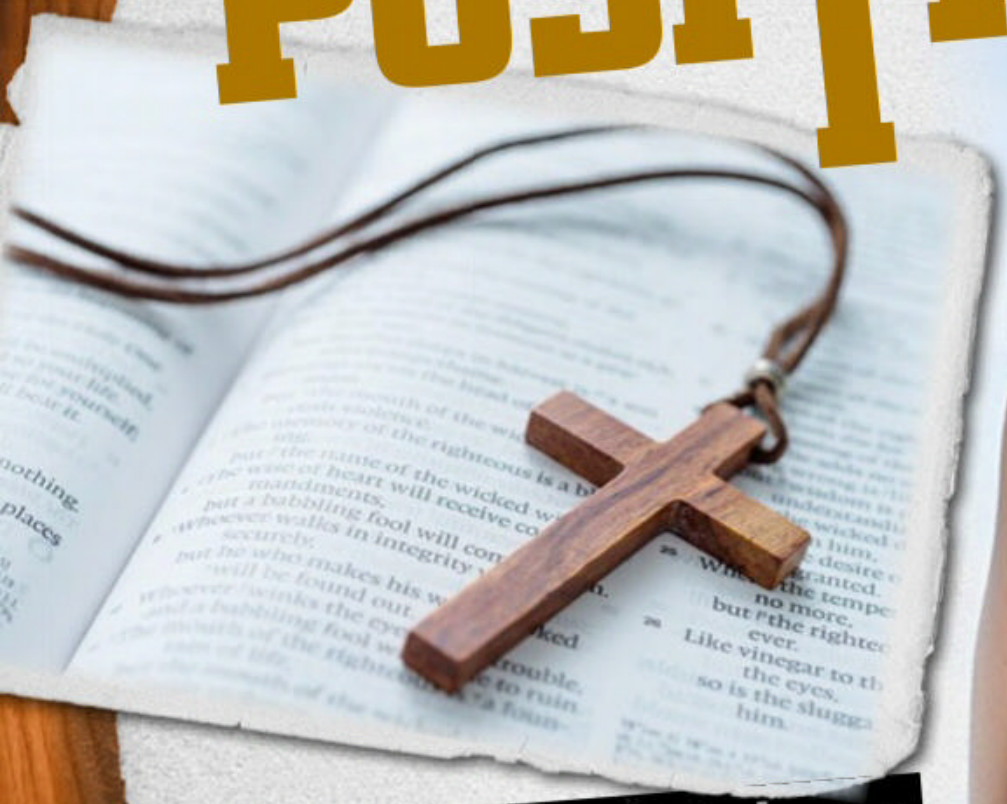
Mila loves gardening. Is it the fresh air? The scent of beautiful flowers? Nah. Her secret is a watering can full of rum 'n' coke!

MISSIONARY POSITION!



Ex-Mormon hottie has a new career in porn

FORMER Mormon missionary Addie Andrews is one of the hottest new talents in the jizz flick biz, less than a year after she ditched the church for her new career.

The 30-year-old blonde reckoned she'd been living "like a nun" until she moved to California after her 18 months as a missionary in the US.

There she started into stripping to pay her bills and from then it was just a short hop to the wonderful world of porn, where she's been slaying 'em ever since.

"I was very sexually repressed! You're essentially a nun, devoted to your religion for that period of time," she said of her time working for the church.

"The problem is not just that premarital sex is denied but that they make it out to be a very serious sin and shameful thing to do. The deeper I got into the religion, the farther from my own identity I got."

Addie reckoned she'd only ever had ONE ROOT before she joined the church, then basically had no sex until she was 26.

But now the cat – or should we say THE PUSSY – is out of the bag, and she's been BONKING UP A STORM in front of the cameras, clocking up about 30 porn shoots in her first 10 months in the caper. ■ Picture

TINY TERROR!

SHORT TEMPER

Mini porn star arrested for stabbing her fella!

ONE of porn's LITTLEST stars has got herself into some BIG TROUBLE.

Pint-sized porking powerhouse Bridget "The Midget" Powers has been charged with assault with a deadly weapon, among other things, after allegedly breaking into her boyfriend's house and attacking him with a knife.

Bridge was pissed off that he was in there rooting another sheila and decided to make her objections known, smashing in a window then stabbing the CHEATING BASTARD in the leg with a kitchen knife.

The lil' chonking champion, who has about 80 porn credits on her CV, now faces up to 15 years in the BIG HOUSE after being arrested and charged in Las Vegas.

The 39-year-old starred in such COMPACT CLASSICS as *A Little Fuck 2, Itsy Bitsy Gang Bang* and *Small Fucking World* during her fabulous career in jizz cinema. ■ Picture

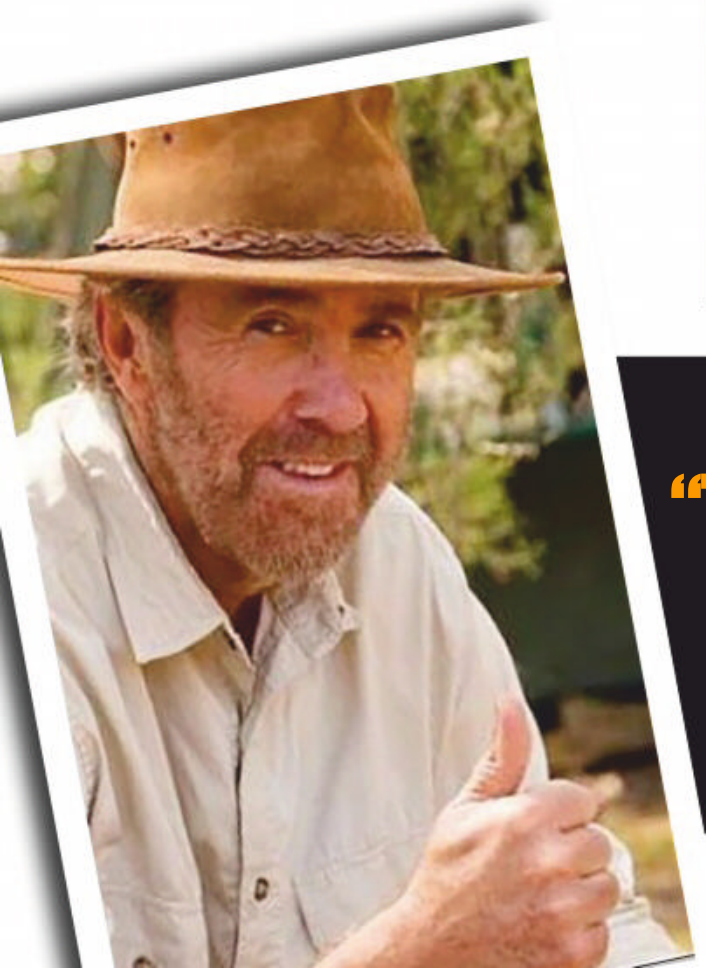
A. HE FELT LIKE BACON.

ROBBO, DEWHURST, VIC

A GUY walks into a pet shop. The pet shop owner suggested an unusual pet, a talking millipede.



OK, thought the man, I'll give it a go, so he bought one and took it home. That night he decided to test out his new pet, so he opened the box and said, "I'm going to the pub for a drink, do you want to come too?" But there was no reply.

He tried again, "Oi, millipede, wanna come to the boozer with me?" Again, no response from the multi-legged champ.

So the man ranted and raved for a bit, but after a while decided to give it one more crack before he took the thing back to the shop.

He took the lid off the box and repeated, "I said I'm going to the pub for a drink, do you want to come?"

"I heard you the first time" snapped the millipede. "I'm just putting my shoes on."

JOKE OF THE WEEK WINS $100

A MECHANIC was removing the cylinder head from an engine when he spotted a well-known cardiologist in his garage. The cardiologist was there waiting for the service manager to come and take a look at his car when the mechanic shouted across the garage, "Hey Doc, want to take a look at this?"

The cardiologist, a bit surprised, walked over to where the mechanic was working.

"So Doc, look at this engine. I opened its heart, took the valves out, repaired or replaced anything damaged, and then put everything back in, and when I finished, it worked just like new."

The mechanic straightened up, wiped his hands on a rag and asked, "So how is it that I make $40,000 a year and you make $1.7m when you and I are doing basically the same work?"

The cardiologist paused, leaned over, and then whispered to the mechanic, "Try doing it with the engine running."

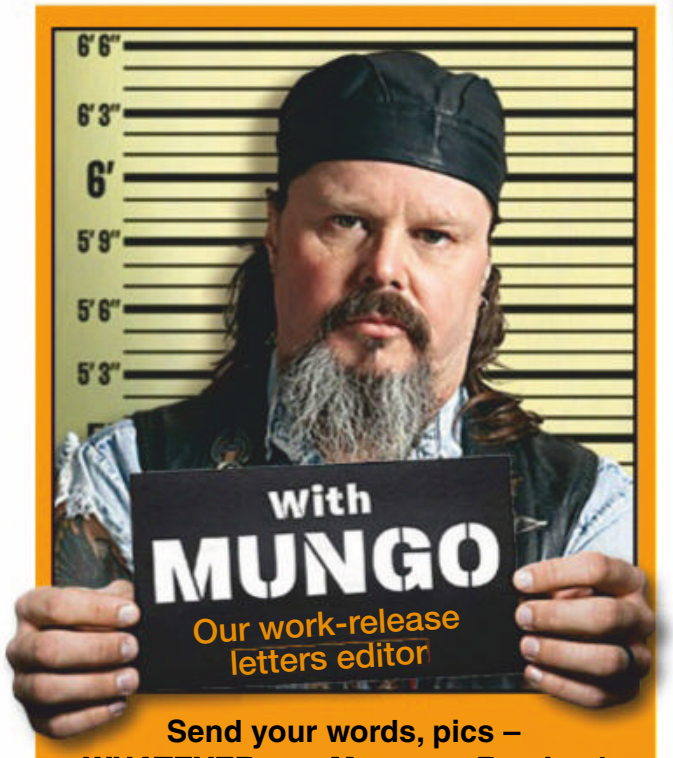
READERS' WORLD

GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

PAT THAT PUSSY

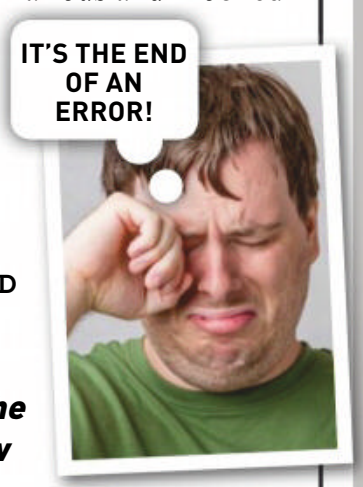
MUNGO, you probably missed this 'cos it happened on national TV early one morning. Kochie was reading an item about a giant pussycat and the words 'Massive Pussy' scrolled across the bottom of the screen. Samantha Armitage starting giggling so much he had to stop reading. My interpretation is that she's very naughty. And something important I'd like to address is the worst news ever – I read in the newspaper that our beloved mag will cease printing. I hope it was a misprint but I am afraid it was not, so how can we faithful readers can save THE PICTURE? Sympathy and love to you all.

L.B., ARNCLIFFE, NSW

MUNGO SAYS: Thanks for your kind words, mate, but it's a done deal. Like half a dozen failed prime ministers and that ab cruncher you got for Christmas, we're being chucked on the scrapheap. But we can still catch up – I'll be at the traffic lights with a squeegee cleaning windscreens for $2 a go, so stop and have a chat.

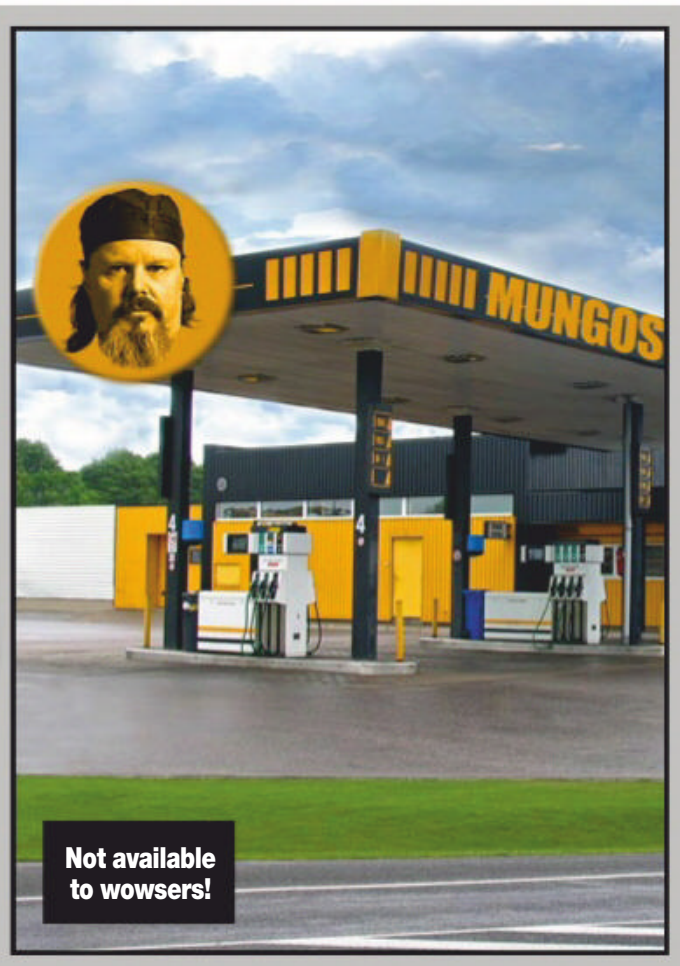
SAY IT AIN'T SO!

JUST got the news about you guys being closed down. It's a massive blow! THE PICTURE has been a big part of my life for as long as I can remember. The girls were the hottest, the stories were hilarious and I looked forward to it every week for years, then every fortnight. I don't know what I'll do for shits and giggles now. Any chance of a reprieve?



L.J., MAROOCHYDORE, QLD

MUNGO SAYS: Nah, don't think so. The moment they cut off the office beer taps I knew it was all over. We've had to drink cans for the past two weeks! Still, we may get out of it with a few bucks once we flog the office computers down at Larry's Pawn Shop. We might get enough for a slab or two and some goon bags. See you in the park!



IT'S A GAS, MAN!

G'DAY Mungo. I haven't missed an issue of THE PICTURE since October 1994, and in that time I've purchased a lot of those classics from BP petrol stations. But this week, the cock pirates have decided that they're not going to stock THE PICTURE anymore. And hence my servo dollars will now get spent elsewhere. I encourage every tit 'n' bush loving Aussie to do the same.

P.L., MILDURA, VIC

MUNGO SAYS: It's a sad day for readers accross the country. We reckon we've sold about 150 million issues since we started in 1988, so we've had a pretty good run. From now on I'll be flogging my own petrol under the banner of Mungo's Motion Lotion, available soon from a 44-gallon drum in a pub carpark near you.

EVERY LETTER PRINTED **WINS $50**

LETTER WITH A PICTURE **WINS $100**

LETTER OF THE WEEK **WINS $200**

AUSTRALIAN OF THE YEAR!

HOW come when someone like Nicole Kidman or Margot Robbie gets nominated or wins some award in the USA it's in all the news, but when our own local Aussie babe Angela White slays them year after year at all the porn awards going she doesn't get so much as a mention. It's bloody unfair. She's been one of Oz's great success stories and you'd think she's get some recognition back home.

ROSCOE, GRIFFITH, NSW,

MUNGO SAYS: Beats me, mate. If it was up to me they'd be naming streets after Ange, like they did with AC/DC Lane in Melbourne. How good would that be? You could tell your mates you'd meet them up Angela's Alley. It needs to be done.

WHO WAS THE GREATEST?

MUNGO, quick question now the end of THE PICTURE is nigh. I need your opinion on who was the hottest spunk youse had in the mag?

KEN, MURWILLUMBAH, NSW

MUNGO SAYS: Jo Guest. Face of an angel, body of a goddess, and perfect tits that pointed upwards at just the right angle. And an absolute sweetheart to boot, so I'm told. But if anyone wants to nominate another one, we've still got a couple of weeks to go, so get your suggestions in and we'll run them one last time.

MUNGO WANTS TO KNOW...

Anyone want to employ an ex-crim letter answerer? Anything with short hours, a big salary and massive annual bonuses considered. Can't do Wednesdays, but.

WINGED WOOFER!

DOGS MIGHT FLY

Dogs are capable of so much more than licking their own arseholes and shitting on the neighbour's lawn. They guide blind people around, rescue lost kiddies in snow storms and find BASTARD DRUGS at airports. But what do they do when they want to chill out and have a bit of fun? Just like us YOOMANS, they really like going down the park and chucking a Frisbee around. Well, not so much chucking it. They're shit at that. But they're pretty fucken cool at catching it! Italian snapper Claudio Piccoli has travelled the world taking shots of our bum-snffin' pals in action catching Frisbees – sorry, FLYING DISCS – and now there are even competitions for the really talented doggos to show off at. But what's the bet that when they're done showing off they enjoy going home and having a really good lick of their own arseholes.

WHERE'S the weirdest place you've done the deed? I did it with the misso in the cold room of a mate's butcher the other week – that was sick.

DAZ, CAIRNS, QLD

***KIKI SAYS:* Good for you. While a cold room isn't my ideal choice, I have done it in the back of a Coles storeroom but was interrupted by a delivery truck! The driver was pretty stoked – I reckon we made his day.**

LOVE YOU LONG TIME

WHAT'S the longest blowjob you've ever given? Ever had to give up on a wang?

NAUGHTY NED, BRISBANE, QLD

***KIKI SAYS:* I give bloody good blow jobs, so it's usually over quick. Guys on Viagra really slow that process down.**

WHIP IT!

I RECENTLY met this chick on Tinder who enjoys long walks on the beach, piña coladas and hard BDSM. While I can pretend to enjoy a pineapple cocktail, I don't think I can pretend to like whipping and tying people up. Is this something I could build up to or should I just call it and find a nice vanilla girl?

LEWIS, SYDNEY, NSW

***KIKI SAYS:* Vanilla girls become boring after a while – they say variety is the spice of life! Try easing into things slowly; maybe start off with a blindfold and a feather at first? You can drive her absolutely wild by doing this, and she will reward you in return.**

NERVOUS NED

DO YOU reckon guys are nervous when they are with you 'cos they know you're a porn star and you've dealt with some monster dongs in your time?

TIMBO, REDCLIFFE, QLD

***KIKI SAYS:* It's not how big it is, it's how you use it! Knowing how to use your tongue is a really big deal for me too. Sometimes that's better than everything else that comes after. To be honest, the guys in porn might be packing, but they don't always make my toes curl.**

KIKI'S SEX CONFESSION

"If you've been watching my videos on my OnlyFans, you would know I've been stretching my arsehole lately. My girlfriend came over unexpectedly so I hurriedly put on a dress and went out for lunch. Problem was, I didn't have time to take my butt plug out and I never wear panties. After dropping the spoon at the restaurant, I bent over to pick it up. My short dress revealed half my arse – butt plug and all – and the old couple behind me got quite a shock!"

COUNTRY LOVE

ARE you keen on coming to the Tamworth Country Music Festival. You can crash at my house. I'll even make you dinner.

SLIMES, TAMWORTH, NSW

***KIKI SAYS:* It depends what's on the menu. I like a few good country songs, and I'm down for some hoe-downs, but you're gunna have to tell me how you got the nickname 'Slimes' before I come.**

BELOW FRO'S A GO!

I'VE seen pics of you with a landing strip, but would you ever consider growing a full-blown bush? I'd love to get lost in your love jungle.

ANDREW, BATHURST, NSW

***KIKI SAYS:* I've had bald eagles, landing strips, and I've even grown a little neat bush, and I've decided I like it best when you can see my sexy wet little lips!**

CUFF ME!

KIKI, big fan, sorry but this isn't sex related (well, maybe it could be) – have you ever been arrested?

DEMI, PERTH, WA

***KIKI SAYS:* You think I would've been arrested more often with all my public nudity, or supermarket masturbation sessions, but nope. I've only been arrested once, for running over my ex.**

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? "I LOVE GETTING DOWN AND DIRTY!"

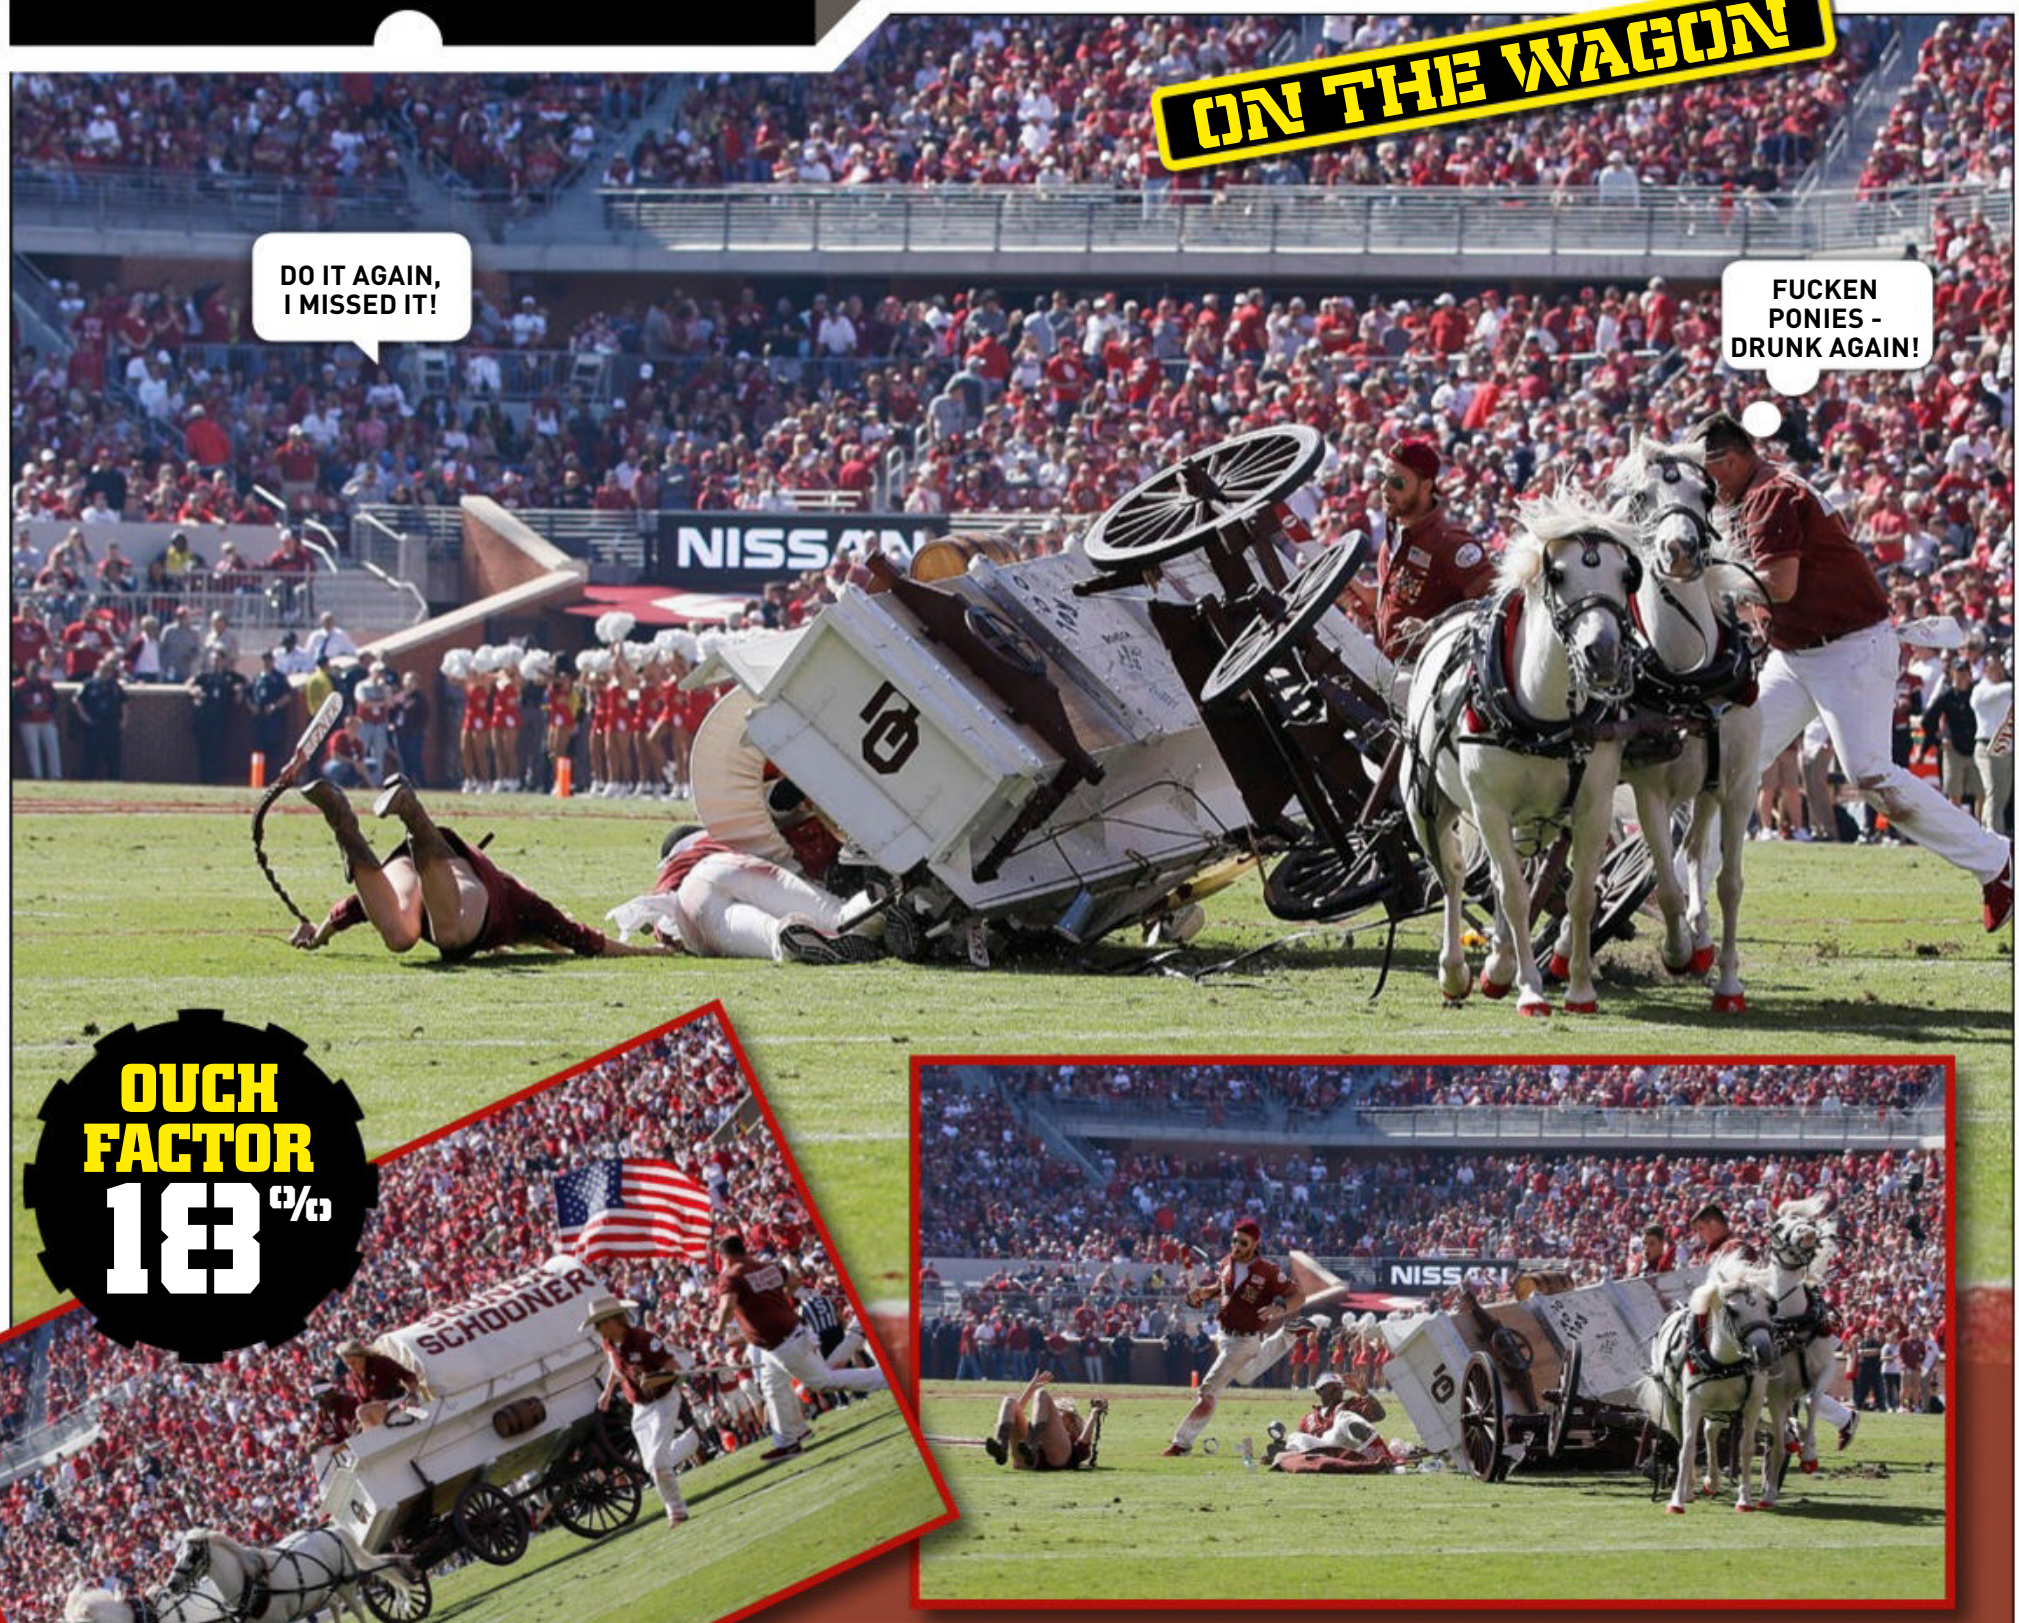
GET UP YA SOOK!

...AND DON'T BE A WUSS



OUCH FACTOR 13%

WHO:
University of Oklahoma's football mascot wagon

WHAT:
It spun out and crashed

WHERE:
Norman, Oklahoma, USA

SERVES University of Oklahoma right for getting all fancy with their football mascot.

A bloke in a stupid costume's not good enough for them, apparently – they've got a wagon pulled by ponies that goes for a fang around the ground every time their team scores a touchdown.

Called the Sooner Schooner (sorry readers – no beer involved!) it's pulled by a couple of nags called Boomer and Sooner. Seppos, eh. Fucken nuts, the lot of 'em.

Anyway, during the game against West Virginia University the other day it took off to celebrate a score with a load of freeloaders in the back, took a corner too sharply and went arse over tit, spilling students and ponies all over the place and busting itself in half.

Which is only right. See, this never would've happened if they'd followed the rules and just had some fuckwit dressed up as a moose or something yelling at the crowd and showing his arse.

No-one was really hurt, just a few bruises, and Oklahoma U went on to win the game 52-14, so we feel totally justified in saying: GET UP YOU FUCKEN SOOKS!

A wagon's not a proper mascot. You've been told. ■ Picture

the Picture WET Dream!

RUB-A-DUB-DUB!

IT'S a good thing that Skye's got a bucket of soapy water and a sponge in these photos, 'cos she's been a VERY DIRTY GIRL. She probably should give the back seat of that car a good scrub, too, 'cos it probably has a few SUSPICIOUS STAINS on it!

"Yeah, I recently had sex in a car for the first time and it was awesome," cheered the 24-year-old model from Melbourne. "I went out on a date and things went really well, and we just ended up going for it on the back seat. It was cramped and I think someone might've seen us, but I really enjoyed it."

Nice one! Where else have you made the beast with two backs?

"I've also had sex out the back of a nightclub, which was quite a thrill! I was there for a girlfriend's birthday and met

this cute guy with a shaved head and heaps of tattoos, and the next thing I knew we were screwing in the alleyway out the back."

Did you enjoy stripping off for the shoot?

"Yep, I'm really excited about guys from around the country seeing me in the nude! I've never been one to get my clothes off in public, but this is certainly a bit of fun."

What's your favourite part of your BONZA BOD?

"I like my boobs because they're very firm, incredibly sensitive and, most importantly, 100 per cent real! I like it when boys play with them, or suck on my nipples."

Bet it's REAL HARD finding blokes willing to do that! What else do you like getting up to?

"I like to go partying and drinking with my mates. Some of the adventures we've gotten up to have been legendary – not that I really remember much about them!"

And what's ya fave sex possie?

"Doggie style, of course!"

Is anything else making you really horny at the moment?

"I guess I'd have to say that taking on two guys at the same time would have to be my ultimate fantasy. I don't know if I'm game enough to go through with it, but it's definitely something I like to think about while I'm masturbating."

EATING OUT!

I THOUGHT I'd give my missus Shaz a good time, so I dropped the kids off at my mum's and cooked my wife her favourite meal. I busted out a few bottles of nice red to go with the food and get her in the mood.

As we ate, she ran her foot up my leg, resting it against my crotch. Then she worked her foot inside my shorts, wriggling her toes against my todger until I was hard.

I scoffed my meal in record time and while Shaz continued to eat, I ducked under the table, lifted her skirt, moved her undies aside and had a bit of dessert.

I drove my tongue inside her fun zone, then started doing laps of her clit. Shaz handed me her glass of wine, so I poured some of it over her smoo and licked it all off. The cold wine on her hot crotch made her scream with desire. It was amazing.

When she calmed down I got up and we undressed right there at the kitchen table. I started to scoop big hunks of ice cream onto Shaz's huge titties and slurp it off. While I was doing that, I also slowly worked a strawberry into her love tunnel, and it made her moan even louder.

Shaz pushed me onto the table and sat on my face so I could get the strawberry back out while she dripped mess everywhere and licked me clean. She held some freezing cold ice cream against my taddy sack which had me blowing my wad in moments. Mt wife is amazing.

I think I'm going to cook dinner a bit more often now!

MICK, BELROSE, NSW

WHAT A BUMMER!

I LOVE masturbating, even though I have a pretty solid sex life. I love being in control and I know my tocko so well that I can make it feel perfect for ages. Plus it's fun to be totally selfish every now and again and not have to worry about pleasuring anyone else.

One day my missus went to the shops and I thought I'd belt out a cheeky wank while she was away. I sat down at the computer, loaded up my favourite porno and started to wax the dolphin.

As luck would have it, my friggin' missus rocked up halfway through the money shot and I didn't have enough time to put my tocko away, stop the porn or even hide the creamy wad of bollock bolognaise that was all over the keyboard.

She looked at my schlong, then at me and asked, "Aren't I enough for you?"

"Yes, of course you are, honey," I blabbered, trying to stuff my old fella back into my pants. "But..."

And that's when the goodness happened. Tanya walked over to me with a look of determination in her eyes, knelt down and started sucking my rapidly hardening meat rocket.

"I'm going to be a better root than your hand," she said through a mouthful of dick as she looked me right in the eyes.

Then my dear Tanya stood up, turned around and lowered herself onto my spam javelin, cramming it right up her amazing little arse. We'd never done anal before, so this was a whole new world of pleasure for me!

As she was bouncing her bunghole up and down on my tocko, she reached down and started giving my balls a really good massage and talking dirty to me.

Thanks to the new sensation of anal sex, the surprise of it all and my missus's dirty mouth, I ended up coming harder than I ever did when I was wanking. Since that day, I haven't wacked off once.

BORN FOR PORN

MY BESTEST fuck happened one night when I was out clubbing. I was on the dance floor busting some of my greatest moves when this smoking-hot chick came up to me and introduced herself as Chloe.

She whispered in my ear, asking if I could fuck as well as I danced. When I said yeah, she asked if I wanted to head back to her joint. I answered by smiling, glancing quickly at her huge knockers and taking her hand.

We were all over each other in the short cab ride to hers and I had the hard-on of all hard-ons by the time we got there. When we made it inside, Chloe dragged me cock-first into her bedroom, which was set up with heaps of lights and cameras.

"I want to be a porn star," she giggled as she stroked my raging boner and I stared stupidly at her massive set-up. "I always fuck in front of cameras to get used to it."

"That's nice. Now how bout we get into it?" I said, getting into my porn star role.

Chloe freed my mighty nine-inch wang and set to work giving me the most sensational blowjob I've ever had. There was nothing delicate or relaxed about it; she sucked me dry while she massaged my balls and slapped my arse.

Before I could spaff down her throat, Chloe got up, bent over and demanded I take her from behind. I started to pump it into her box hard and fast, like they do in the movies, and she yelled and moaned and hollered. I felt like I was Ron fucken Jeremy!

I spanked her arse and kept going until I was ready to come. Then I pulled out my todger, spun Chloe around and watched as she worked my womb broom like a pro until I unloaded several huge ropes of goof juice all over her beaut chesticles.

Since then I've always wondered if Chloe recorded our fuck – and if so, if she uploaded it to the net for other people to get off over.

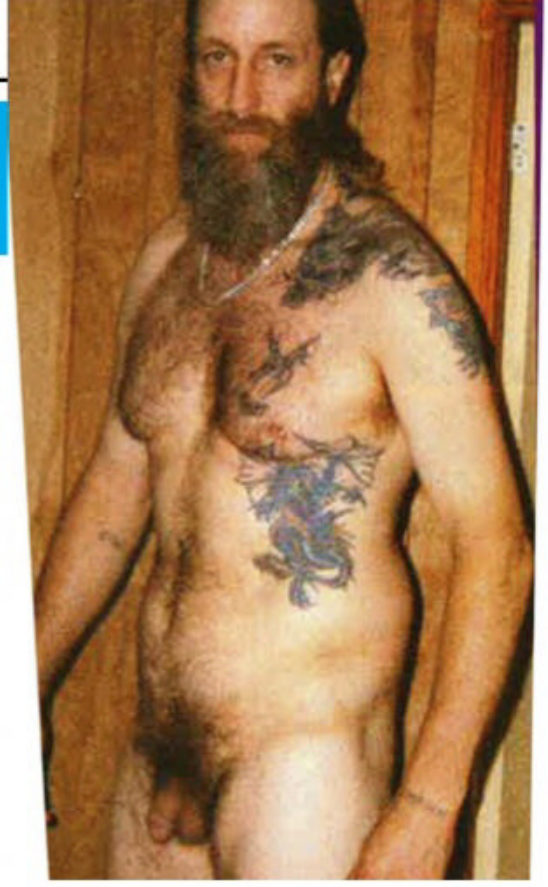
JAMES // 57

GEEBUNG, QLD

Though he's handy in the kitchen, James, 57, is not a chef. "I buy and sell things." ***What's the weirdest thing you've bought and sold?*** "A blow-up doll. I can assure you it was perfectly clean." ***That's reassuring. Anything COOKING romance wise?*** "I've got a couple of regulars. I teach them prolonged orgasm techniques." ***That'll keep 'em COMING.***



RAY // 37

GATTON, QLD

Life's heavenly for 37-year-old Ray, an extreme-sports nut and labourer. ***Anything weird or unusual about you?*** "Me mates at work would say I'm weird and unsual. They call me Jesus." ***Righteous. In what position doth the Lord like to PLOW?*** "I'm not fussy."

NEIL // 47

BURLEIGH HEADS, QLD

Life be in it – that's the slogan of 47-year-old Neil, surfer, tennis ace and restorer of cars and bikes. "I can't stand people who don't get out there and have a go." ***Speaking of which, how do you like to HAVE A GO?*** "Doggy's the best. I love ramming it home."
